

TAGORE PUBLIC SCHOOL, PALWAL

TPS

TPS would like to congratulate **MOHIT BAGHEL** of class XII for representing Haryana in under 17 category and winning Gold Medal at National Level Chess Tournament held at Jalandhar. He will have the honour to represent India at international level in Bangkok.

Mohit Baghel

"Perfection is not attainable, but if we chase perfection we can catch excellence. The will to win, the desire to succeed, the urge to reach our full potential are the keys that will unlock the door to personal excellence."

Manorma Arora
Academic Director

Our mission at TPS is to help students learn the art of living, bringing together aspects of learning, sensitivity, open mindedness and self-reflection.

It is incredible to think of all that our school has accomplished in this semester: playing at district levels and qualifying for state and national levels in almost all sports - a grand Walkathon, Annual Day-Saga of dances-The song of the Earth, Mothers' Day, Farmers Market, Kindergarten Class Show, Science Week to name a few. Throughout all these events, we have been overwhelmed with the support of our parents and the participation of our students!

Glimpses of the events being showcased in this half yearly newsletter QUEST is a testimony to our pursuit of 'Quest for Excellence'.

We hope you enjoy the lovely photographs, showcasing our amazing students and staff, and we thank all the parents who have helped make our events a success.

Leader is someone whose actions resolve conflicts and weaker one. Ceremony 21st July 2018

The Leader in Me

someone resolve conflicts and weaker one. Ceremony 21st July 2018

The Student's Council took Oath of office, duties and responsibilities to the best of their abilities. Head Boy (Gourav Pathak) & Head Girl (Esha) of class XII and Deputy Head Boy (Shubham) & Deputy Head Girl (Anjali) of class XI and Sports Captain (Diksha Tiwari) & Dy. Sports Captain (Lakshay Attri) along with 24-Prefects took the Oath to be responsible, diligent and honest in performing their duties assigned to them..

Deeksha Tiwari qualified for Taekwondo National Championship by bagging Gold at State level played at Panipat in Aug'18. She will represent Haryana at Nadiad, Gujarat in Nov.'18. TPS proudly wishes both of them further victory.

We are proud to share our academic excellence. Our student **Sajan Kumar Verma** of 2017-18 batch got selected for admission to BS-MS Engineering Science Branch at (IISERs) Indian Institute of Science, Education and Research, a prestigious institution to promote quality education and research in basic sciences.

Sajan Kumar Verma

The school campus of Tagore Public School, Palwal was charged with energy on May 4th 2018 when the cultural evening 'Saga of dances- Song of the Earth' was presented before the parent audience. It was a spectacular display of the students' creativity, confidence and on-stage charisma.

The underlying theme showcased the relation between Man and Nature, the reckless action of man resulting in destruction of nature and then its emergence like a phoenix. The beautiful ballet gave a strong message that if mankind is not kind to nature, Nature will also not be kind to them.

WALKATHON FITNESS TOGETHER

Once again Tagore Public School, Palwal was brimming with excitement as it organized First Ever Walkathon - Fitness Together on 4th March, 2018 in Palwal. Presence of

Eminent personalities like Sh. Ashok Kumar (BEEO, Palwal); Sh. Jashbir Singh (AEO, Palwal) & Sh. Yudhister Goyal who flagged off the marathon motivated the participants. The purpose of the activity was in consonance with the three pillar programme of Tagore Public School, Health, Education, and Parent-School Partnership. Along the route, the enthusiastic groups of teachers, students and parents cheered the participants at the specially set-up cheering stations, depicting the importance of Environment, Health and Fitness at every age. The Mega event concluded with the participants being awarded appreciation certificates.

Wonderful Mass Events

TREE CONSERVATION DRIVE

At TPS, we are striving to uplift the quality of our living environment through active planting, proper maintenance and preservation of trees in and around our school campus. During the months of Aug, around 100 trees were planted in the campus in association with Distt. Legal Service Authority(DLSA).

Selfless Service with a smile

As part of its continuous endeavour to serve society TPS organised a blood donation camp on Saturday i.e 25th August in association with LIFE LINE FOUNDATION. There were posters and banners inviting people to become heroes by donating blood. 89 units of blood was collected which will save many precious lives.

We at TPS believe that high standards of academic work, the happiness of each child and courteous behaviour are of paramount importance. We see school as an extension of home life where children learn to live and work happily together in the pursuit of excellence. TPS aspires to be a school where learning is embraced and valued and where 'Every Child Matters'. The school provides a varied curriculum, rich in technology, sports and art with high levels of expertise. We are committed to deliver a quality service by providing myriad opportunities to learn and discover.

Please take time to read about all the information we send to keep our parents well informed and prepared for school events.

TPS In High Sports Spirit

!!Hats off to our sports Teams for winning the district level games and qualifying for state /national level games. The teams competed and are proud of their accomplishments. The school has won 40 Gold, 28 Silver and 16 Bronze medals by now. Congratulations for a fantastic show!! All the best for the State and National Levels.

Festival Fervour

Our students celebrated Independence Day in the school: The flag was hoisted in all its splendour as the national anthem resounded in the soft morning air. A beautiful dance was also presented by the students. The fascinated smiles on children faces warmed everybody's heart, setting the tone for the rest of the day.

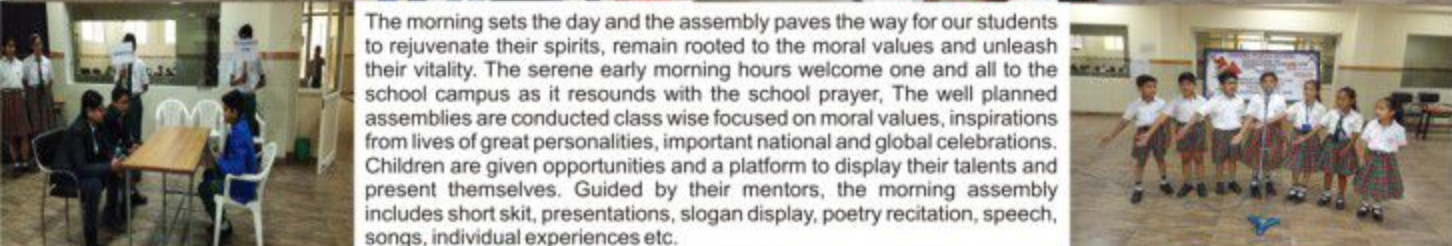

Janmashtami, the birth of Lord Krishna was celebrated with great pomp and festivity by the tagorians. Cute little Radha Krishna

danced to the music of janmashtami songs filling the air with joy and festive spirit. The kindergartan kids also cut the cake.

The morning sets the day and the assembly paves the way for our students to rejuvenate their spirits, remain rooted to the moral values and unleash their vitality. The serene early morning hours welcome one and all to the school campus as it resounds with the school prayer. The well planned assemblies are conducted class wise focused on moral values, inspirations from lives of great personalities, important national and global celebrations. Children are given opportunities and a platform to display their talents and present themselves. Guided by their mentors, the morning assembly includes short skit, presentations, slogan display, poetry recitation, speech, songs, individual experiences etc.

Student knowledge and experience when added with realism and hands - on experience. Students have been involved in a wide variety of activities, events and have been steeped in academics as they prepare for further academics and life skills.

The best way of learning about anything is by doing. An excursion to Kidzania Noida was organised on 22 Aug. 18 for the students to explore various professions and services. Kidzania provided an environment that empowered kids to explore the wide and amazing world. It provided first hand experience of different occupations and careers that kids could explore in the mini sets-up of various professions like medical & health services, sale-purchase, entertainment and hospitality services. The students indulged in various activities which stimulated their creativity, critical thinking and boosted their self confidence. Through this experience, they also learnt real life values and social skills.

Welcome to our Half-Yearly newsletter. Much has been achieved in our school since our last newsletter and much remains to be completed in the weeks and months that lay ahead.

Positive experiences in the early years have shown to have a significant benefit for children, in developing their social skills and their ability to learn. At the heart of the kindergarten and primary education is the principle that a child's early years' experience should be happy, active, exciting and secure.

Every child deserves the best possible start in their learning life. I believe that all fun activities that are done at home have a long lasting impact on the child during their progression to school. This could be through simple tasks such as talking to them about a topic which would allow them to learn and understand new words, ideas and thus give them a motivation to speak. Parents' co-operation is much desirable.

Kindergarten Strawberry Days

One can't have more fun than playing with water in sizzling summer in a splash pool! Water play activities in young children strengthen motor skills, build balance and the ability to propel and navigate. Coordination is also sharpened. A pool party was organised in May, 2018. The poolside was abundantly decorated with balloons, balls and bunting. The tiny tots turned up in colourful swim suits and had great fun.

Sale Day At Kindergarten

SHIMMER N SHINE

Jubilant Tagorians of Prep class unveiled their creativity, confidence and onstage charisma with great enthusiasm on 25.08.2018 for their class show "SHIMMER AND SHINE". The show was conducted by Shourya Thakur, Parag Garg, Shaurya Kaushik, Soumya Bansal and Chaitanya.

Throughout the show, children learnt how they can not only compete with their own physical ability and keep fit but also put their different skills to test, such as singing, compering and staying positive.

It was a spectacular display of magical moments against a lovely starry backdrop and orchestra beats. The morning opened on a ceremonious note with the lighting of the lamp and Saraswati Vandana by Sharanya in Odissi Dance form which welcomed the parents as well as invoked the blessings of God.

Children shimmered with aerobic exercises and ball games. They cycled, jogged, walked on skates to show how to keep healthy. Tarun led a team of majestic Yogis presenting various yogic exercises. 'Tug of the war' between healthy and junk food send the parents into peels of laughter. Naman Sharma and Ishika gave messages on good health and healthy food. But the musical drama 'Chuhe Raja ka Cricket' stole the show. The Chuha and Bander team looked like most stylist cricket team full of attitude.

The show ended happily on the music of 'Jab Jiya Le Jhum Jhum, dekhhegi Dunia ghum ghum, Sabko hara kar ghar layenge gold gold'.

The scene at school usually ends with sleepy-eyed children walking out of the doors with their parents. However on 27th July, the day ended differently, thanks to Tagore Kids Farmers Market. The students found stalls of fruits and vegetables lined up in the hall. The students were super excited to be dressed as farmers, vendors and buyers. The background music comprised of songs and dances on eating fruits and vegetables to keep healthy. The purpose of the activity was to acquaint them with the names of fruits and vegetables as well as encourage them to eat fresh fruits and vegetables. They learnt money transactions also. The activity also enhanced their conversation and presentation skills.
