

Dear parents

Welcome to Tagore public school. You are now a special member of Tagore family. We would have welcomed you and the kids in a very special way but as you are aware schools have been closed due to prevention from Novel Coronavirus. We will have to wait for the day when we all will come out safe and victorious. To start formal school we need your cooperation. We have designed a special schedule for the kids. You are requested to spend time with your ward and make optimum use of the same. Let's stay safe and enjoy the precious time with our children.
