

Dear Parents

Congratulations on your ward's promotion to the next class! As you are aware schools have been closed due to prevention from Novel Corona Virus. Though we will be missing your pretty faces but to minimise loss of regular school, we have scheduled home classes and sharing the same with you. Home Classes will commence from 9th April. You are requested to ensure your ward follows the routine and makes optimum use of the same. Practice can be done in any rough notebook or 3 in 1 lined notebook at home.

Hope you all are doing well. Let's be positive, safe and enjoy the precious time with our children

REGARDS
